## GENERAL INFORMATION

We All Shine Productions is looking for collaborating artists of any and all disciplines to be involved in its upcoming Christmas productions. The theme for this production is Christmas, so please ensure your work fits in with this theme.

As We All Shine Productions will be presenting a digital performance as well as a live, in-person kids show, we encourage artist submissions that can be pre-recorded or presented live over Zoom or in-person.

This is a NON-UNION, unpaid production. Everyone involved with We All Shine Productions are volunteers.

Our digital performance, which will be performed live over Zoom on December 4, 2021 at 8pm ET, will be free admission and viewable over YouTube. In lieu of charging for admission, we will have an option for audience members to donate to our GoFundMe. The proceeds will be equally divided and donated to True North Aid and another charity (TBD).

Our Kids Show will be performed live and IN-PERSON in Stouffville, Ontario. Depending on demand and cast availability, this performance will be on December 11, 2021 at 1pm ET, December 18, 2021 at 1pm ET, or on both dates. This production will serve as a fundraiser for the company and the performance venue. As such, we will charge for admission and divide the profit between We All Shine Productions and Stained Glass Centre for the Performing Arts. Performers involved in this production will be asked to provide proof of vaccination.

Our goal is to work with artists to create a community of creatives and cross promote one another. Chosen participants will have their website and social media pages added to our collaborators page, and will be tagged and promoted in our social media posts.

For anyone who wishes to perform live, either on Zoom or in-person, will be required for mandatory dress rehearsals prior to the performance date.

# INCLUSION AND NON-DISCRIMINATIVE PRACTICES

We accept applications from individuals from any and all walks of life. We strive to give everyone a voice, especially to identities that have been underrepresented. It is our goal to cast appropriately based on the characters, themes, and voices that are being expressed in all the works showcased.

## APPLICATION REQUIREMENTS

Open to all creative and artistic formats; including, but not limited to: visual art, music, dance, clowning, comedy/stand-up, poetry/spoken word, improv, etc.

While we are happy to push the envelope and produce progressive entertainment, please note that offensive or derogatory works will not be considered. For our kids show, we ask that any submissions for this production specifically be tailored for young audiences.
